Other than injury or death of any person (that no cap on liability will apply), our liability to you for the services we provide shall not exceed £2,000,000.00 in connection with any one event or connected events.

The Regulator

The Financial Conduct Authority (FCA) is an independent watchdog that regulates financial services.

The FCA has authorised us to advise, arrange, deal in and assist with the placing and administration of all types of General Insurance policies. We are also authorised to undertake certain Consumer Credit activities.

Our Financial Services Register number is 595866 and you can check our status and permissions at www.fca.org.uk or by contacting the FCA on 0800 111 6768.

Confidentiality and Data Protection

We will share the information that you provide to us with insurance companies and other brokers or agents for the purposes of obtaining quotations and arranging cover, servicing your policy and assisting you when reporting claims. This may result in a credit check to confirm your identity and minimise the risk of fraud.

Information given by you may be put onto a register of claims and shared with other insurers to prevent fraudulent claims. Should you wish to pay your premium by instalments we may pass your information to a premium finance provider, however this would not be done without first discussing payments options with you. Insurers and credit providers may carry out a credit check to confirm your identity and minimise the risk of fraud.

We treat all information as private and confidential and in strict accordance with the General Data Protection Regulation (GDPR), even when you are no longer a customer.

Under the provisions of the GDPR you have a right to obtain a copy of any personally identifiable information about you which we hold on our records.

Our Data Privacy Notice provides more comprehensive information on how the firm handles client data. The notice also appears on the company website.

Our Fees, Commission and Charges

We usually receive a commission from the insurance provider with whom we place your business, and in such a case, the commission will be paid to us either when we are in receipt of cleared funds from you (or the premium finance company, if one has been used) or, when the insurer has received cleared funds from us in respect of the premium due under your policy. The individual agreements we have with each insurer will determine which of the two methods above is used to make this transfer of commission. We also receive commission for arranging finance agreements for the payment of insurance premiums and this is usually expressed as a percentage of the individual loan and is paid to us directly by the premium finance provider. We may also receive a commission or fee for passing introductions to other professional firms.

In addition, we may make the following charges to cover the administration of your insurance:

Standard Charges	
Arranging new policies	£15.00
Mid-term adjustments (any refunds made are NET of our commission)	£15.00
Renewals of policies	£15.00
Cancellation (we refund NET of our commission)	£15.00
Copy Documents	£ 5.00

Fees are correct at the time of issue, but may be subject to change.

Policies voided or cancelled from inception by insurers will be treated as a cancellation and we will retain any commission and fees before returning the net premium to you. By accepting these terms of business, you agree that we may retain the portion of the premium that relates to commission that would have been due to us.

Occasionally we may arrange a policy on which we earn no commission (a "net premium policy") and in these cases we will advise you of the arrangement fee before you take the policy out.

Specific charges, which apply to individual policies, will be advised to you prior to the commencement of each contract applicable to that policy. The specific charge and purpose of any additional charges will always be advised to you in advance.

You are entitled to request at any time, information about the commissions that we may have received in connection with your insurance, if you want this information please contact us.

Our Service

We can act both as agent of insurer, and on behalf of you, the customer. We have in place management controls to deal with any conflicts of interest that might arise. Unless we advise you otherwise, we are acting on your behalf.

We also act on behalf of insurers when collecting premiums under risk transfer.

We will ask questions to enable us to assess reasonably your insurance requirements, this may include checking information that we already hold about you and your existing insurance arrangements with us and other parties.

We will provide you with advice and guidance, after assessing what you want and need and recommend a suitable policy based on our experience of dealing with similar risks.

We will confirm to you the level of service we are providing as part of our sales process.

In all cases our service will include arranging and administering your insurance, including helping you with on-going changes and assisting you if you need to make a claim, or where we outsource claims handling facilities to give you an enhanced service.

If we use the services of another intermediary to place your insurance we will advise you of the name of the intermediary we use and the name of the insurer.

If you mislay your policy at any time, we will arrange a replacement policy document, if you request it.

Our Selection (Fair Analysis)

We offer products from a wide range of insurance companies.

Our selection usually involves presenting to a reasonable number of insurance companies that will insure for the risk at hand, and this is called a fair analysis of the market.

Sometimes we may only approach two or three insurers and this is a limited Panel, or in some cases we may only approach one insurer, in either case, we will tell you the basis as part of our selling process. You can also request a list of the companies that form the Panel we have approached.

Sometimes we will only approach one insurer, in which case we will tell you as part of our selling process

Our Selection (Single Insurer)

We only offer legal cover, breakdown cover, excess protection and home emergency cover from one insurer and we do not provide advice on these classes of business.

Financial Strength

We regularly assess the financial strength of the Insurance Companies and other intermediaries that we deal with. The process usually involves general observation of the financial ratings applied by independent rating agencies such as Standard & Poor's and A M Best published with other readily available information within industry guides, newsletters and press releases. Whilst we take care to deal with companies that maintain reasonable solvency margins, we cannot guarantee their financial ability to pay claims.

Money

We will hold money that you pay to us in accordance with the regulators rules or under a risk transfer agreement with insurers. This will include holding your money in the following way.

A non-statutory trust insurer bank account in accordance with our agreements with Insurance Companies that transfer the risk of money we receive from customers to them, these agreements deem any money you pay to us, to be received by them and they will bear the risk of any losses in the event that our firm becomes insolvent. This includes claims money or premium refunds we receive prior to being paid to you.

By holding your money in this way, means that in the event that this firm becomes insolvent your money remains protected.

In arranging your insurance we may employ the services of other intermediaries who are regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. These firms are also required to hold clients' money in a separate trust account. We will also inform you if at any time we are required to pass your premium to firms that operate outside the UK where the protection may be different. Should you not wish us to pass premiums to a firm outside of the UK, please inform us.

Payment Options

We will provide you with full details of all the payment options available to you when we provide you with your insurance premium.

If you choose to enter in a finance arrangement, this will be subject to interest charges that we will confirm to you when providing the full details. Importantly, the arrangement you will enter into will be with the finance company not us. It is an entirely separate contract irrespective of the insurance contract. In the event of your failure to meet with the contractual obligations regarding payment the finance provider could approach the insurer to seek a termination of the insurance contract to recoup their outstanding finance arrears. You will be liable to pay their costs and charges if you do not keep up your repayments and cover is cancelled under your policy. This is because the agreement is between you, the policyholder and the finance company direct, not us or the insurer.

Please note that we only use Close Brothers Premium Finance for the provision of premium finance facilities.

Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.

Your Right to Cancel (Applicable to Consumers only)

Please contact us if you wish to cancel any policy that we have arranged for you. Customers acting outside their trade or profession (Consumers) will usually have a legal right to cancel policies for any reason, subject to no claims having occurred, within 14 days of receiving the full terms & conditions. You will always be advised where this Right applies. A charge may apply for the period of cover provided and, in addition, an administration charge will apply as shown in the charges section above, cancellation under this right must be in writing, prior to expiry of the cancellation period, to our usual office address.

The FSCS is the UK's statutory fund of last resort for customers of authorised financial services firms. Compensation is usually payable if an authorised firm is unable or unlikely to pay claims usually because it has ceased trading or become insolvent

Insurance Premium Tax (IPT)

Your premium detailed in the policy will include IPT at the prevailing rate. Should the rate of IPT be amended by the Government, your premium will be amended by the insurer to reflect the change.

Some policies are subject to Value Added Tax (VAT) not IPT and should the rate of VAT be amended by the Government, your premium will be amended by the insurer to reflect the change.
